2024 Florida's Women in Energy Scholarship Application & Guidelines

Purpose

The purpose of the AABE Florida Chapter Florida's Women in Energy Scholarship is to assist African American, Hispanic, and Native American female students with the cost of pursuing a bachelor's degree in an energy related field at an accredited college/university. This award highlights the opportunity to network with leaders, with registration fees covered, in the energy industry at the annual Florida's Women in Energy Leadership Forum.

Eligibility

- Candidate must:
 - be female
 - be a college/university **sophomore, junior, or senior year** at the time of application submission
 - **We prefer you be present to receive award** at the Florida's Women in Energy Leadership Forum at the JW Marriott Tampa Water Street in Tampa, FL on October 21-23, 2024. **The award will be given on Tuesday, October 22nd** so attendance is imperative that day though you are encouraged to attend the entire 3-day conference to fully partake in networking opportunities with leaders in the energy industry.
 - be enrolled at an accredited college or university in pursuit of an undergraduate degree in business, physical sciences, technology, engineering, or mathematics in preparation for a career in the energy sector
Example majors include but are not limited to the following academic disciplines:
 - *business* - business administration, accounting, finance, economics
 - *physical sciences* - physics, chemistry, biology (energy-related/non-medical fields only), astronomy
 - *technology* - computer science
 - *engineering* - mechanical, electrical, computer, chemical, nuclear, environmental, civil, agricultural/biological, industrial, materials science
 - *mathematics* - applied mathematics, all branches of mathematics
 - *others* - environmental science, sustainability
 - have at least a cumulative B average or 3.0 grade point average on a 4.0 scale through the most-recently completed quarter or semester (**submit official transcript**)
 - provide evidence of pathway to energy-related career field:
 - energy-related coursework (transcripts from most recent college semester)
 - energy-related project (detailed summary of project)
 - energy-related internship/co-op within the last 12 months
- Candidate should be involved in community or civic service activities.
- Before receiving this scholarship, applicants are required to provide proof of registration

as a full-time student in the program(s) as described in their applications.

Selection

Scholarship recipients are selected by the AABE Florida Chapter Scholarship Committee.

Award Amount

\$1,000.00

The Application Package

Consideration will be given only to candidates submitting a complete application package, which includes:

1. Completed AABE application form (**page 5**)
2. Copy of most recent (last quarter/semester completed) transcript showing your cumulative GPA.
3. Completed 200-word essay answering the following question:
 - Which characteristics should women embody to obtain a college degree and eventually transition into a successful career in the energy industry?

Complete application packages MUST BE EMAILED BY FRIDAY, AUGUST 30th, 2024 @ 11:59PM.

Please send complete application package to the Florida AABE scholarship chairperson:

Email application: scholarship@aabefl.org
